

Focus Awards Level 3 Award in First Aid at Work (RQF)

Overview

The Level 3 Award in First Aid at Work (RQF) is a UK OFQUAL accredited 100% online qualification that aims to develop learner's knowledge, understanding and skills of first aid at work. In achieving this Level 3 Award in First Aid at Work (RQF), all learners will cover essentials of First Aid, including roles and responsibilities, incident assessment and managing and administering First Aid to casualties in a variety of situations. You are not required to have any prior qualification or experience to start this course, just an appetite for learning.

Scope of the qualification

This qualification will prepare you to understand and perform first aid at your workplace regardless of where you work. The qualification would equip you with the skills to perform safe, prompt and effective first aid on the people around you in an emergency. Potential learners can be from any field or sector, regardless of their expertise.

Duration and Delivery

This Level 3 course is designed to be completed online at the pace that suits you the best. Level 3 Award in First Aid at Work qualification can take as little as 1 day or up to 4 months. This level 3 qualification is delivered through our virtual learning environment (VLE). Our online tutor support is there to facilitate you to achieve your success rate accordingly.

Assessment and Verification

All units within this qualification are internally assessed by our qualified assessors and externally verified by the awarding organisation. The assessment takes the form of written assignments and demonstration of first aid skills through video recording, detailed guidance for which will be provided by the tutor.
