

Focus Awards Level 3 Certificate in Assessing Vocational Achievement (RQF)

Overview

The Level 3 Certificate in Assessing Vocational Achievement (RQF), also known as the Level 3 CAVA Assessor qualification replaces A1 assessor course and is considered an industry standard qualification for people looking to assess learners for accredited courses. Before the A1 assessor course, if you wanted to train to become an assessor you would complete the D32 and D33 units. The D Units were then replaced by the A1 Assessor Awards. Finally, the A1 qualification was replaced by the current suite of qualifications, which are commonly referred to as TAQA training (Training Assessment and Quality Assurance) Qualification. Most training centres would expect you to have a CAVA assessor qualification before you start assessing qualifications in the FE and HE sectors. You are not required to have any prior qualification or experience to start this Level 3 CAVA course. This NVQ assessor course will assist you regardless of your subject expertise, whether you assess music or train people. The course is accredited by UK OFQUAL, and is delivered 100% online.

Please note that if you do not want to do the complete certificate then the [Level 3 Award in Assessing Competence in the Work Environment](#) is accepted by most employers, which costs less time and money to complete. To understand the difference, please have a read through [this blog](#).
