Overview

The Level 4 Award in the External Quality Assurance of Assessment Processes and Practice (RQF) is a qualification intended for those who maintain the quality of assessment from outside an organisation or assessment centre, usually on behalf of an awarding organisation. This course is perfect for you if you are already working as an EV/EQA for an awarding organisation, and wish to strengthen your profile by achieving this prestigious award. The purpose of this external verification qualification is to confirm competence and expertise of professionals who maintain and improve the quality of assessment from outside an organisation or assessment centre, essentially when working for the awarding organisations.
